1. Section J lists form DOT F4220.44 as Attachment 5. This form is available at http://www.fhwa.dot.gov/AAA/frm4220_44.pdf.
2. The 40-page limit identified in Section L, page 42 applies only to the technical component of Volume I. There is no page limit on the staffing proposal or past performance information.
3. The limitation on font sizes described on page 43 of the RFP applies also to items placed in tables.
4. Offerors should obtain past performance questionnaires from three independent sources. That is, three different contacts on three different projects are requested.
5. As identified on page 54, Offerors need only provide "A matrix outlining staff resources by task area and showing each individual's availability with respect to his or her overall time commitment for all other projects" for key personnel. It is not required for other than key personnel.
6. Due to a typographical error, Section M's evaluation criteria contains a reference to a "Task F;" there is no such Task F. The criterion should read: "a. Demonstrated completeness, thoroughness, and adequacy of the discussion of work to be performed in Tasks A-E. "

The submission deadline for proposals remains unchanged.

All other terms and conditions of the solicitation remain unchanged.
